

# SOME FEW TINY TRIFLES

Lyrics & music: FREDDIE LANGRIND

/ eng3

Norsk: Noen små bagateller

*Med en dvelende jazzy melodi er det naturlig å prioritere engelsk tekst.*

*Note og lydfil (demo) leveres.*

Here`s something of little importance,  
some few tiny trifles in portions:  
Our lives bring no justice as some folks think,  
the highlight you watched for became a blink.  
There`s always a hindrance that stifles,  
some few, some blue ... tiny trifles.

Coincidence made you a **no-one**  
with ev`ryday`s duties to go on.  
You know pretty well whom you`d want as twin.  
To stand on the doorstep and don`t get in  
is merely a **something** that stifles,  
some few, some blue ... tiny trifles.

You see that you`re still a beginner.  
There`s always and ever a winner.  
The sweetness you went for is more like salt.  
What`s somebody`s credit is someone`s fault.  
There`s always a detail that stifles,  
some few, some blue ... tiny trifles.

But think of the champ you admire,  
he`s trapped in success and desire  
with focus on progress and **why?** and **how?**,  
he can`t give a minute as we do now  
and join the most comfy diciples  
with few, some blue ... tiny trifles.
